Dear Council Member:

Thank you for taking time to review the following information regarding the programs and regulations of the Gwinnett County Environmental Health Department. Environmental Health programs impact your municipality and its citizenry daily. Whether it be food service, swimming pool, body art, septic system, or tourist accommodation inspections or complaint investigations, the presence of Environmental Health staff in your city occurs daily. A good working relationship between your government agencies and the Environmental Health Department will provide your citizens a great city to live and work in safely.

We at Environmental Health look forward to working with you to continue to provide excellent customer service and compliance with all health codes. If you have any questions, please contact our department at 770-963-5132. The following is contact information for each program manager:

Robbie Westbrook – Environmental Health County Manager – 770-963-5132 ext 533

Laura Westcott – Food Service Program Manager – 770-963-5132 ext 534

David Hornsby – Swimming Pool, Tourist Accommodation, and Body Art Program Manager – 770-963-5132 ext 514
